of Correction

SECOND REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A second certificate of correction is respectfully requested in the above-identified patent. By way of background, Applicants filed a Request for Certificate of Correction on August 10, 2005, in order to correct a number of PTO errors identified in the issued patent. A Certificate of Correction was issued by the PTO on October 4, 2005, however one of the errors for which correction was requested was not properly corrected. Accordingly, this second Request for Certification of Correction is being filed to correct the remaining error. The following error remains:

In the Title page, Item (56) under Other Publications, as cited in the Information Disclosure Statement sent February 5, 2002, --Beesley et al., "The post-synaptic density: putative involvement in synapse stabilization via cadherins and covalent modification by ubiquitination," *Biochemical Society Transactions* 23: 59-64, 1995.-- was incorrectly changed to "Deesley et al., "The post-synaptic density: putative involvement in synapse stabilization via cadherins and covalent modification by ubiquitination," *Biochemical Society Transactions* 23: 59-64, 1995." in the issued patent.

NOV 15 2005

Attached is the Certificate of Correction, which indicates the correction to be made, by reference to the column and line number in the printed patent. Because the error was made by the Patent Office, no fee is necessary. However if it is determined to be our error, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC
